IMPORTANT NOTE - TOPOGRAPHICAL SURVEY
This drawing has been produced from the Topographical Site Survey drawing no. 25246-25-01 produced by SV Surveying Ltd and dated 02/07/2025. The boundary to the south-east and south-west corners of the site have been shown indicatively due to incomplete survey information owing to dense vegetation. All boundary positions are to be confirmed and marked out on site, with any discrepancies reported to the project manager prior to commencement.

IMPORTANT NOTE - LEVELS
All levels indicated on this drawing are mAOD (meters above ordnance datum), referenced from the topographical survey which has been fixed to OSGB36 data.

Revision	Description	Date	Initial
