Dear Sir or Madam

Proposal: **There is a Lombardy Poplar tree in our back garden. It is more than 70 feet tall and it is over 35 years old which is the advisory life expectancy. The tree abuts our boundary fence. If it fell it would reach and damage the back of our house and/or potentially cause injury to anyone in the garden or walking in the field behind the house which is a popular dog-walking track.**

Location: **Church View Holme Lane South Wingfield Alfreton Derbyshire DE55 7LJ**

Applicant: **Mr Chris Handforth**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 17 February 2026.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Sam Denston
Trainee Trees and Nature Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
