Dear Sir or Madam

Proposal: **This application involves the reduction of 2 trees at premises situated off the Market Place, Crich, which has been subject of a previous visit and authority to carry out work by AVBC.**
**Tree 1 - proposed reduction of 25% of a mature Maple tree situated on the premises boundary adjacent to a footpath. The tree is close to a low BT line and situated very close to a mature Beech tree covered by a TPO. The work is necessary to prevent the Maple having an impact on the crown and shape of the Beech.**
**Tree 2 - 30% reductio0n to an Oak tree situated at the front of the premises adjacent to 2 neighbouring properties. The Oak tree is overhanging one of the premises and the small reduction is requested to prevent any damage to the premises and significant leaf fall blocking and causing damage to the drains.**

Location: **Wylam Cottage School Lane Crich Matlock Derbyshire DE4 5DF**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 9 October 2025.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Sam Denston
Trainee Trees and Nature Conservation Officer

**Note:** The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
