Description of Proposed Works

Please describe the proposed works

We would like to propose to move our garden fence. It currently runs in line with the side of the building however our boundary includes some additional ground that sits outside of the current fence.
We would like to build a 6 foot wooden fence, replicating the current fence. Situated 0.5m (50cm) away from the boundary where it meets the neighbours drive at the end of the garden and 0.3m (30cm) away from the boundary that runs along side the footpath and road.
We propose to add Security gates at the front of the fence which is towards the front of the house, set back approximately 2 meters, in line with the position of the street light.

Has the work already been started without consent?

◯ Yes
⊘ No

Materials

Does the proposed development require any materials to be used externally?

⊘ Yes
◯ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:
Boundary treatments (e.g. fences, walls)

Existing materials and finishes:
Natural wood 6ft fence painted in a blue/grey paint

Proposed materials and finishes:
to replicate and match the existing fence, a new 6ft wooden panel fence natural wood will hope to be put in its place. We will then hope to paint it the same colour as the remaining fence. The security gates will be built with grey composite panels

Are you supplying additional information on submitted plans, drawings or a design and access statement?

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☑ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
