Dear Sir or Madam

Proposal: **Common Yew tree, crown reduction or removal of the tree if it cannot be sufficiently reduced. Tree is approximately 6m wide and 10m tall. We want to reduce by 50% making it 3m wide and 5m tall.**

The tree is overhanging neighbouring property and blocking light to their windows. Neighbour has asked if we can cut it back so it does not overhang their property and thin it so it does not block light to their windows.

Location: **The Rise Church Street Holloway Matlock Derbyshire DE4 5AY**

Applicant: **Mr Michael Mills**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 6 August 2026.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Sam Denston
Trainee Trees and Nature Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
