Work Items

Quote Number: 6028

No: T6
Type: Leyland Cypress
Details: Small conifer that has bent over and is leaning in a holly the other side of the boundary fence. Recomendation fell to ground level

No: T7
Type: Dead tree
Details: Dead stem. Recomendation fell to ground level.

No: T12
Type: Common Ash
Details: No obvious current signs of Ash Die-back. Has long limb lower in the crown growing above the road that is much longer the the rest of the canopy. Recomendation reduce weight on this brach and remove large deadwood over the highway, this will aleviate risk of failure and obstruction to highway.

No: G3
Type: Mixed hedgerow
Details: Hedgerow beneath larger trees. Recomendation tip back hedge from highway and lift low branches from above trees to obtain 5.2m clearance over highway.
