Dear Mr Sharpe,

Proposal	**Application to determine if prior approval is required for a proposed change of use from offices to a single residential property under Schedule 2, Part 3, Class MA of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended)**
Location	**2 Mundy St, Heanor, Derbyshire, DE75 7EB**
Applicant	**Mr T Sharpe**
Agent	**Mr T Sharpe**

The Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) Schedule 2 Part 3 Class (MA)

Amber Valley Borough Council as Local Planning Authority hereby grants Prior Approval for the development described in the submitted application and any subsequent details. The Prior Approval is subject to the compliance with the following conditions:

1.The development shall be completed within three years of the date of this decision.

Reason: To comply with the requirements of MA.2 (d) Class MA, Part 3 Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015, as amended.

2.The development hereby permitted shall be carried out only in accordance with the details and specifications shown on the following drawings:

Location Plan

Proposed Ground Floor Plan, Drg no A108

Proposed Elevations Drgs no A100, A 101, A102, A103

All received14.08.2026

Proposed First Floor Plan – Drg no A109 received on 01.10.26

Reason: To ensure that the development takes the form envisaged by the Local Planning Authority

3. The on-site car parking provision, which takes access from Wilmot Street, shall be retained for use by the residents of the proposed dwelling.

Reason: In the interests of highway safety.

Advisory Notes

1. If any unforeseen contamination is found during excavations Environmental Health must be notified immediately. This may include obvious visual or olfactory residues, asbestos including asbestos containing materials such as roofing, buried drums, drains, interceptors, additional fuel storage tanks or any other unexpected hazards that may be discovered during site works. Where a site is affected by contamination or land stability issues, responsibility for securing a safe development rests with the developer and/or landowner.

2. In order to reduce the likelihood of local residents being subjected to adverse levels of noise annoyance during construction, work on site should not occur outside the following hours: -

Monday - Friday - 7.30 a.m. - 18.00 p.m.,

Saturday - 8.30 a.m. - 13.00 p.m.

No work on Sundays & Bank Holidays.

3.The development is within the town centre area and will subject to reasonable disturbance from noise, dust, odour, vibration and light associated with the existing town centre activities, including from patrons, pedestrians and vehicles. Such activities may extend throughout the day and night time period.

Yours faithfully,

S Gladwin
