# TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the policies of the Amber Valley Borough Local Plan 2022/2040, and with reference to your application (**Office Code: AVA/2026/0107**) which was valid on the 10 March 2026 for permission for **Construction of double garage with access to loft space above at Hunters Keep Main Road Pentrich**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

**Conditions/Reasons**

1. The proposed detached garage, by reason of its substantial scale, height, massing and prominent siting within the front curtilage of the property, would occupy a significant proportion of the site frontage and be positioned forward of the existing dwelling. The development would introduce a visually dominant built feature into an area that presently provides an open setting to the dwelling and contributes positively to the character and appearance of the site when viewed from Main Road. Notwithstanding the proposed lowering of ground levels and retention of boundary planting, the development would significantly erode the open character of the frontage, diminish the visual prominence of the host dwelling, and appear incongruous within the street scene. The proposal is therefore contrary to Policy EN15 of the Adopted Amber Valley Borough Local Plan and the design objectives of the National Planning Policy Framework.

2. The proposed detached garage would comprise a substantial two-storey building with a footprint of approximately 71 square metres and a volume of approximately 293 cubic metres. By reason of its scale, massing, height and prominent siting forward of the existing dwelling, the proposal would represent a disproportionate addition to the original

dwelling and result in a material increase in built form within the Green Belt. The development would reduce the openness of the Green Belt and therefore constitutes inappropriate development, which is by definition harmful to the Green Belt. No, very special circumstances have been demonstrated which would clearly outweigh the harm to the Green Belt and any other harm arising from the proposal. The proposal is therefore contrary to Policy SS8 of the Adopted Amber Valley Borough Local Plan and Chapter 13 of the National Planning Policy Framework.

**Notes**
**Attention is drawn to the attached notes:**

**In detail:**

The processing of this planning application has been undertaken in accordance with the requirements of the National Planning Policy Framework (NPPF). Dialogue between the applicant and Local Planning Authority has been undertaken to try and address the issues associated with the proposal. This includes the request for amended plans/additional information and allowing a delay in the determination of the application to give the applicant the opportunity to address the concerns, however, the issues have failed to be resolved.

10. **The grant of planning permission does not entitle developers to obstruct a public right of way.
