## DESIGN NOTES

Proposed layout , final levels & drainage layout / connections are subject to survey & final design review following demolition.

Due to site perimeter constraints & retained trees and existing perimeter levels a fully compliant design to Sport England falls and gradients may not be fully possible, and a derogation / clarification would need to be made at that point in time.

NOTES:-

1) Proposed site layout taken from drawing SRP1244-ONE-ZZ-ZZ-D-L-1002 provided by One Environments.

Please refer to SRP1244-LAB-ZZ-XX-T-0003 P01 natural turf specification for construction details
