

Name of Petition: **Save Swanwick**

**Additional Information:**

We the undersigned, call upon Amber Valley Borough Council to withdraw the following sites from the Strategic Housing Land Availability Assessment (SHLAA) with immediate effect.

GA5 - the land south of South Street and west of Derby Road, Swanwick (Greenbelt land)

GA4 - the land at Lily Street Farm, Derby Road, Swanwick (Greenfield Site)

Swanwick has undergone significant housing development over the years, (the population density is over twice the borough average), and we feel the regeneration of Brownfield Sites should be the priority.
