(For attention: Ms A. Taylor)

Dear Ms Taylor

Neighbourhood Plans

I refer to our conversation on the above subject and your subsequent e mail of the 9th November 2012, for which I was grateful.

At the subsequent meeting of the council on the 14th November the subject was discussed and a resolution passed that a Neighbourhood Plan was to be drawn up with the intention of submitting it to your council for Sustainability Approval and eventual incorporation in the Core Strategy Document.

The council therefore requests its intention be formally noted and that the full financial allowance and support, as detailed in the CPRE's publication 'A Guide to Neighbourhood Planning' be allocated to it as a Parish Council and not a Neighbourhood Forum..

Yours sincerely,

R. D. Parkin
