- The Amber Valley Business Club Membership is a set fee, this does not change throughout the membership year. Businesses do not have to become a full member to attend meetings; there is a pay as you go option also available.
- Any new business that is interested in joining the Amber Valley Business Club can attend one meeting for half price. Thereafter, all meetings will be charged at the pay as you go rate unless the membership is signed up to.
- The Amber Valley Business Club membership fee is £88.00 inc. VAT for the year (that's just £8.00 per meeting)! The pay as you go fee to attend the meetings is £12.00 (£14.40 inc. VAT) per meeting and an invoice will be raised prior to each meeting.
- The membership fee only covers the business that has signed up to the membership.
- It is expected that only one representative from the business will attend each meeting, this does not exclude more than one, however, additional colleagues will be charged at a standard pay as you go rate.
- Amber Valley Business Club Members will have their details included on the Amber Valley Business Club website (unless requested not to be included on the website).
- Amber Valley Business Club Members will have the opportunity to introduce their business to other members at each meeting through an introduction session.
- Any business that would like to make requests, recommendations and/or promote any sales, special offers, news etc. can do so by providing information prior to each meeting, this will be highlighted at the end of the introduction time.
- Business Club Members will have the opportunity, (subject to availability) to be a key speaker at one of the meetings.
- Businesses are expected to book their place prior to the meeting, this is for catering purposes. To keep membership fees low, the refreshments and catering at each meeting are booked on exact numbers.
- Businesses are expected to give prior notification for non-attendance at meetings if a place has been booked.
- Businesses are expected to give sufficient notice of non-attendance i.e. the day before (e.g. if this is a breakfast meeting by midday the day before). Failure to do so will result in a charge being issued for the cost of the place catered for (this is charged at the pay as you go rate).
