subsequent funding as a result e.g. CIL monies

\*It enables the emerging plan to build on the already recognised parish boundary which will aid the local community in understanding its purpose and potential effect.

\* It will allow Hazelwood Parish Council to seek out partners from within the recognized parish boundary who have a mutual interest in the plan's development and success..

**8/Declaration**

I hereby apply to designate a neighbourhood plan, as described on this form and the accompanying map.
